

FAQ for Balkan Residents Platforms

1. Why be a member of the BalkanResidents.com platform and part of the Forresidents community?

All residents who are among the first 5000 members will always pay a discounted membership fee in the future, because they recognized at the start the idea that would help them provide a loyalty program and facilitate integration into the new community. The same discounts will always be available to all Business Club members, BRBC members, as well as all Partners, Sponsors who join us by December 31, 2026.

2. Why become a member of the Balkan Residents Business Club (BRBC member) now?

The first 5,000 BRBC members will always pay the same annual membership fee. A special plan will be developed for all of them for the next 5 years, and in the future (in 2 years) they will have greater discounts from all of our Partners and Sponsors, so it will be worth it many times over to be among the first 5,000 BRBC members.

3. What is the difference between a Member and a Business Club Member (BRM and BRBC)?

BRM –A member uses information from all portals, has the ability to chat in the Members Forum, can ask questions to the portal Admin. He can comment on News posts, give his opinion and suggestions on how to improve the work of the community, participate in spreading ideas and profit, and then become a Business member (BRBC member), earn from the BalkanResidents.com platform by joining the marketing team.

BRBC – The member has all the benefits of a BRM member, plus discounts with all our Partners and Sponsors, Chatting in BBC PULS, placing ads under the JOBS link, writing and publishing your post in BBC-Puls, advertising your product or service on BalkanResidents.com as well as placing ads for Tourism and Real Estate, selling and buying all products. BRBC member has the opportunity to use the premises and benefits of Business clubs throughout the platform, participation in prize games that BRBC will organize every 90 days, use the

platform to advertise your business with compensation to the portal, the opportunity to become a Partner or Sponsor in the future with discounts (if you are in the first 5000 BRBC members). BRBC members will always have the opportunity to become GOLD BRBC members (after 3 years of continuous membership) and have even greater discounts on the services and products of our Partners and Sponsors, and when they become DIAMOND BRBC (after 5 years of membership without a break!) members pay only 50% of the price listed in the BalkanResidents.com Portal Price List, while after 7 years of continuous membership they receive the status **Honorary Member of the Business Club (Lifetime - LT members)** and stops paying membership fees to the Business Club - the highest status in the Business Club after the Business Club Board. This is the only status with the right of inheritance of the first relatives, or to whom it is given by the status holder, it cannot be sold.

4. Can I become an LT Member immediately?

No, you have to wait at least 7 years for that LT Members status and that status will never be able to be purchased at the start.

5. Can I purchase - pay immediately for GOLD BRBC or DIAMOND BRBC Status?

GOLD BRBC automatically becomes only a GOLD Sponsor, with a maximum of 2 members each year.

In addition to membership in the Business Club Board, DIAMOND BRBC only initially receives the General Sponsorship of the BalkanResidents.com Platform and receives 5 seats in that membership (5 DBRBC members for a period of 7 years).

6. Can I pay at these promotional prices for 2-4 years immediately and save over 63% per year of membership? (it is currently 70 euros, and the full price is 190 euros for 12 months)

Yes, this opportunity only exists for the first 5,000 BRBC members in the Balkans, because this is how we reward all those who are among the first 5,000 BRBC members who have placed their trust in us.

7. How do I know if I'm among the first 5,000 BRBC members and what else will I be rewarded with in the future of the platform?

Only the first 5000 BRBC members will always have bigger discounts via their QR code numbers, and we started membership from 5000 backwards, just so you know, all our Partners have free membership in the first year and that number is already decreasing every day. Our Sponsors get from 1-5 places in the BRBC members community - so hurry up and take advantage of these huge discounts (over **63%**) to become our first BRBC members. Until you become a BRBC member, you will not know how big the current community of BRBC members is, and when the total community exceeds 10,000 BRBC members, only the first 5000 BRBC members will receive a ring with the BRBC logo as a gift and no more such gifts will be made until the community grows beyond 20,000 BRBC members.

8. How to become a Partner or Sponsor of the ForResidents or BalkanResidents platform?

Just select a country (for residents.me for example) and send an email to the Admin, express your wish and describe why you want to be a Partner or Sponsor. Be sure to specify how much discount you want to give to residents from the platform and you will receive a response from us within 48 hours, two business days. **Important:** If you want to be a direct sponsor of BRBC by offering space in your restaurant, hotel or meeting room for BRBC members, then write directly to founder@balkanresidents.com and only then do you write to that email.

If you want to be a Sponsor, in the platform's Price List you have sponsorships offered from 400 euros to 12,000 euros, choose the sponsorship you want and write an email to sponsor@balkanresidents.com and if you only want to become a partner by giving discounts on your services or products, please contact us by email at partner@balkanresidents.com .

9. Can I move from Partner to Sponsor and what discounts do I get?

Yes, you can always become a Sponsor of the platform and portal, but then you write an email to clubboard@balkanresidents.com and depending on when you express your desire to become a Sponsor, the Business Club Board will respond within 72 hours or three business days with what discounts you can receive and what obligations await you as a Sponsor.

10. When will it be possible for us, as BRBC members, to use the BRBC premises for gatherings of registered groups, and when will it all start?

You will have the opportunity to read all the information about the work of the Business Club and its functioning in the News link as well as on our Facebook and Instagram pages, as well as on LinkedIn, so stay up to date, follow us on social networks.

11. When will the BRBC Butterfly radio and TV station in 12 languages start operating?

The first YouTube channels are being prepared, which will initially be only in English and a few other languages, and the plan is to open Butterfly TV and a radio station. On weekends, we will broadcast 2-hour programs in 12 different languages, and it all depends on you. This project is of a megalomaniacal type, there are huge investments in the first 24 months, but according to our Business Plan, Butterfly ITV & Radio will be active in two years. It also depends on the existing ITVs that can offer us cooperation and partnership in the project, and we are already in negotiations with several of them.

12. How is the platform financed and what is your interest?

From the beginning, the platform will be financed ONLY FROM MEMBERSHIP FEES, because we tell all Partners and Sponsors at the start that we are waiving commissions in all loyalty programs that we set up on portals and platforms, just so that residents can get more benefits from their services and products. That is how it is now and will always be. This is also included in the Statute of the Business Club, and the money from Sponsors and Partners will be used exclusively for promotions, marketing and gatherings of residents throughout the Balkans.
